Re Milwaukee weekly summary airtel 11/11/61 captioned
"Criminal Intelligence Program, Milwaukee Division."

Page one re airtel reveals information from [redacted] received November 7, 1961, to the effect that captioned subjects are the top echelon bookies in Milwaukee and that the other bookies call them to obtain the "line" every day. If not already done, you should immediately open investigations on these individuals under ITWI. It is to be noted that you have a current investigation on Gustiane Veto Balestrere; A-R. If Buster Balestrere, referred to above, is identical, you should still open an ITWI investigation on him. One of the purposes of the investigations of top hoodlums is to develop substantive violations in which they are involved.
